

RAMSEY PRICE

CHIEF FINANCIAL OFFICER

With more than 20 years of experience in financial leadership across both private and publicly-traded technology companies, Ramsey brings invaluable financial expertise to LeoLabs. Most recently, he served as CFO at Brilliant Corporation, where he was responsible for coordinating strategic growth and overseeing the company's financial and risk management functions. In this role, he designed and executed financial and operational strategies, set performance metrics to drive success, and implemented control systems to safeguard company assets and ensure accurate, timely financial reporting.

Prior to joining Brilliant, Ramsey served as Vice President of Finance at Maxar Technologies, where he played a pivotal role in managing its Enterprise business, overseeing approximately \$150M in annual revenue. During Ramsey's career at Maxar, he supported various parts of the business, including pricing and contracts support for commercial satellite access, online platforms, budgeting and investment governance for CAPEX intensive operations, and 3D technology value added products to customers across the public and private sector.

Before Maxar, Ramsey successfully led high-profile M&A projects, including the \$140M acquisition of Vicon Inc. by Maxar Technologies in 2020. Throughout his career, he has been involved in multiple billion-dollar M&A transactions across the commercial space and technology industries.

Ramsey is a Certified Public Accountant and holds a Master's degree in accounting from UNC Kenan-Flagler Business School.
